

## **Portfield School – Sports Premium Grant Income and Expenditure Statement**

### **What is Sports Premium?**

The Government has committed to funding for the Primary PE and Sport Premium to improve the provision of PE and sport in primary schools. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

The Sport Premium funding can only be spent on sport and PE provision in schools. OFSTED's role will be to ensure that all primary schools will use the funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all students throughout the Primary Phase.

### **The purpose of the funding**

The funding will need to be spent on improving the provision of sports within the school, but each school will have the freedom to choose how they spend the funding.

### **How will we be spending the Sports funding and who will benefit?**

The governors agree that the money must be used so that all students benefit regardless of sporting ability, whilst enabling the most able students to compete in advanced tournaments if they wish to. Staff will have access to training opportunities and continued professional development that ensures the continued prioritisation of sport as a vehicle to improve the holistic health and wellbeing of all students.

The funding will be used to:

- increase the skill level of staff in the delivery of quality sports teaching
- buy exciting and stimulating resources to facilitate the teaching of PE
- provide opportunities for students to represent their school and take part in competitive sport
- establish sustainable partnerships with local community sports clubs
- subsidise outdoor and adventurous activities on residential trips
- develop the outdoor and adventurous activities element of the PE curriculum, utilising the school's own grounds and facilities

### **Allocation of Funding**

In financial year 2020-2021 our school received £16,350 in Sports Premium grant funding and it was allocated as below:

<b>Funded Service</b>	<b>Details/Hours</b>	<b>Cost</b>
