

## Stour Summer 1 Learning overview

### Writing:

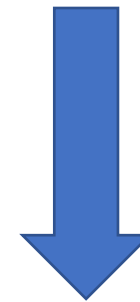

- Practising letter formations, overwriting lines, shapes and letters, copying letters and words.
- Practising spelling their red words.
- Writing factual sentences about people who help us.
- Using symbols to build descriptive sentences.

### Mathematics:

This half term Stour class will be looking at money. They will be exploring, matching, identify and sorting different coins. Some students may begin counting amounts using 2p's, 5p's and 10p coins. We will also be using money in our role play area and messy play, where the children will have the opportunity to explore the play shop and exploring sensory bags.

Stour Class

### Preparation for Adulthood:

- Cooking food linking to the topic 'my world'
- PECS practise to support independent commenting and requesting.
- Cutlery practise to support independent eating.
- Trips to local parks to support transitions to new places, when in the community.
- Fun with food sessions to increase exposure to new foods.

### Reading:

- RWI sessions to support both reading and verbalisations of the phonic sounds.
- Daily 1:1 reading.
- Answering a range of comprehension questions, working on the blank levels.
- Weekly yoga sessions with sensory stories.
