

Our Charity Hub

Location:

Aviation Business Park
446 Commercial Road
Units 1 & 2
Christchurch
Dorset
BH23 6DS

Getting Here

Autism Unlimited's Charity Hub Team is based at Aviation Business Park near Bournemouth Airport. When driving into the Business Park continue until you reach a roundabout and take the first exit (left). Then continue driving until you see the second junction on the right (before Cribby's). Continue shortly down that road until you see our building.

The nearest bus stop to the Charity Hub is on Commercial Road (737).

Parking:

We have thirty-two spaces at the Charity Hub including two accessible spaces available for those who need them. Because of our proximity to Bournemouth Airport, parking can be quite strict and incur fines or clamps if vehicles are parked in the wrong place. Please see the map below for more clarity regarding these spaces.

Facilities:

We have a range of facilities available for employees at our charity hub. Including: a kitchen, eating area, a variety of meeting rooms, accessible toilets and entryway, a wellness room and a prayer/meditation room.

Who works here?

Autism Unlimited's Charity Hub is home to a wide range of teams and people working hard behind the scenes to keep things running smoothly. Here, our CEO and Directors take care of charity operations and lead Autism Unlimited into the future. Our Finance team handles the numbers and the Health and Safety team keep everyone safe, our IT team takes care of the tech and the Marketing & Fundraising team promotes our services and raises money for AU. The Training team works hard to create informative training on neurodiversity and the People team looks after our colleagues and recruits new talent to the charity.
